

# **“Have The Confidence To Apply For Positions That Fulfil Your Career And Lifestyle Goals, With A Professional Resume Created By People Who Have Spent 20+ Years Hiring Emerging Executives Just Like You.”**

**If you’re looking for a better job, a professionally crafted Emerging Executive Resume is the personal marketing tool you need to get off the job search “Hamster Wheel” and into a great career.**

Hello Job Hunter/Emerging Executive  
(please choose one)

When you apply for your next position you have 30 seconds to make a positive impact with your resume.

This is where the life-changing decision is made to read on and offer you an interview, or move onto the next candidate.

By providing the decision makers with a Professionally Crafted Executive Resume from Resumes Australia you will make a strong first impression and ultimately remove the frustration, uncertainty and financial strain involved in advancing your career.

As a leading Executive Search & Selection Consultant specialising in Human Capital Management & Talent Management with over 20 years experience, Resumes Australia founder Kylie Hammond, knows first hand the difference a compelling, well structured, professionally written resume can have on your professional future.

*"Armed with my new profile I applied for 5 jobs, got interviews with all of them, have been offered three, short-listed for the other two but have accepted the pick of the bunch."*

**Joanne.**

Our 15+ year track record of success and (number of clients using your services in the past) of happy clients means you can be certain your new resume will impress in content, structure and most importantly, results.

Resumes Australia Founder)

20+ year Executive Recruitment and HR industry expert Kylie Hammond has assembled the countries premier resume and sales writers to fast track your career success.

After years of frustration receiving poor quality executive resumes from candidates who “Fulfilled the Job Criteria”, Kylie launched Resumes Australia to give Emerging Executives the essential tools needed to successfully apply for senior positions and advance their careers.

With an Emerging Executive Resume from Resumes Australia you will:

- Have the confidence to apply for high-paying, respected positions in your field.
- Impress your interviewers and potential employers before you even walk in the room.
- Stand out from the pile of old “list of history” style resumes.
- Take control of your circumstances and advance your career.
- Get more interviews and spend less time, energy and money looking for work.
- Possess an essential tool that will help you throughout your career and can be easily updated anytime.
- Highlight the specific skills and achievements that your potential employers are actually looking for.
- Break down the barriers that have stopped you earning more money and respect in your profession.
- Get off the “job search hamster wheel” and forget the “post and pray” style of job-hunting forever.
- Avoid the financial strain that lost income can put on you and your family.

*"Happy to say that the new resume has worked its magic. Have used it on 4 occasions. Got down to a second interview on one position; just been offered another and in the running for the remaining 2!! Unreal!"*

*Robert*

When you are selling yourself you must have specialist marketing tool, and our experienced resume and copywriters from a range of HR and executive recruitment backgrounds know exactly what it takes to sell you and your skills.

## **The Process:**

After we first receive your current resume or you fill in our proprietary resume template, one of our Specialist Executive Resume Consultants will contact you and begin to gather all relevant information.

During this process we dig deep to find out who you really are and what are the skills, benefits and experience you bring to a potential employer. This allows us to create a marketing document that is much more than just a list of your past accomplishments.

Our lead resume writer then returns your first draft and asks more probing questions to ensure we uncover all your expertise, achievements and special skills. This information is then reworked, edited and integrated into your new resume.

We continue to work back and forth until you are 100% satisfied with your New Emerging Executive Resume and are confident to go out there and secure your dream position.

Because we know how busy you can be we have structured our process to work around your schedule, communicating mostly by email and Skype so all directions and information is interpreted accurately.

This also allows you to decide when to allocate time to provide the information we need.

**Before any final draft is signed-off it is thoroughly examined by two of our Senior Resume Specialist. These people are Hr and Executive Recruitment experts who have spent years sitting on the other side of the desk, and they know what employers are looking for.**

"Thank you so much for your efficiency in completing my CV (resume). Ten minutes after emailing my CV and cover letter I had a call from the Agency and I have a meeting at 3pm today to discuss a Branch Manager position."

Bernard
